

Open House!

We are kicking off our
2017-2018 Season!

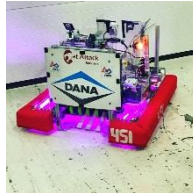

When: Tuesday, May 23, 6:00PM to 8:00 PM

Where: Dana Advanced Manufacturing Center
6515 Maumee Western Rd.
Maumee, Ohio
(Use the main entrance by the flags)

Who: All current 8th - 11th grade students
Also parents or adults interested in mentoring

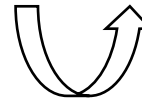

So ... what does a FIRST Robotics Team do?

Every year, we get a new rulebook with a new game to play.

We get 6 weeks to design and build a robot for game play.

We take our robot to compete with other teams from around the globe.

Our Open House is open to all students entering 9-12 grade this upcoming fall. Public, charter, private and home schooled are welcomed. Parents are welcomed to attend, ask questions, and let the students explore hands on demonstrations, which current team members will be presenting.
