

The 4th Annual Shorties U Filmmaking Workshop

This workshop is for students in 5th through 8th grade that want to learn more about how to make a short film. The Shorties U runs four Saturdays – February 25th - March 18th from 9 AM – noon (with an optional editing week at the Apple Store on March 25th). Led by area experts, this experience takes students through the steps of how to create their own short films – while making one as part of a small group during the workshop. The first three weeks are held in the Performing Arts Center at Northview HS, and the fourth week of class is held at Olander Park’s Nederhouser Community Hall. All films made during the Shorties U will be shown at a ticketed screening in April. More information about the screening event will be provided during the 1st week of the workshop. Sign up today as space is limited! Registration is \$65 and is due by February 11th. To sign up for the Shorties U, please fill out this form or register online at <http://www.sylvaniaarts.org/shorties-u/>.
