

Purchasing & Food Service

Joseph Shamy, Director

Greetings Parents, Students, and Staff:

I hope you all had a fantastic summer! The Food Service Team is extremely excited about the upcoming school year. We look forward to serving healthy, delicious food daily to our very important customers. Below is a brief overview of some of our focuses for this school year:

- The food we serve will be tasty, well presented, and will meet all USDA regulations for nutritional content.
- The Sylvania Schools Food Service Team believes in treating all of life's customers with dignity and respect. We will continue to teach students how to win customers for life by modeling positive friendly behaviors. **Our customers can expect miles and miles of smiles daily!**
- Our district will continue to serve a variety of fresh fruits and vegetables every day as a part of our daily meal options. **We will continue to serve salads in every school, every day!**
- This school year, I will make every effort to be in a different school **every day at lunch** talking about nutrition, listening to customer feedback, answering questions and most importantly, **making a connection with our amazing students! Watch for pictures on the Sylvania Schools Food Service Page on Facebook!**

It is my honor to serve the families of Sylvania Schools. You have my promise that the food service staff and I will be bringing the "Five E's" to school daily. **Energy, Excitement, and Enthusiasm Executed Everyday! **Please help Sylvania Schools by supporting our food service program.****

Sincerely,

Joseph Shamy
Director of Purchasing and Food Service
